

# EMG PhD-student seminar series

## Spring 2018

In this seminar series all of EMG's PhD students gather regularly to present and discuss their research in a relaxed and informal environment. The purpose of this course is to foster a culture of scientific discourse and discussion. All presentations will be given on Friday afternoons at 15.00 (3.00 p.m.) in KB.G5.01 (KB5C2), and will also be accessible by video link. Each seminar is set to 20 min presentation and 10 min discussion.
